The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**ORDINANCE AMENDING LICENSE AND PERMIT
REQUIREMENTS FOR ADULT BUSINESSES
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD, AFTER THE PUBLIC HEARING:

- a. Find that the establishment of the proposed adult permit fee within Title 22 – Planning and Zoning, of the County Code, is exempt under the provisions of the California Environmental Quality Act pursuant to Public Resources Code section 21080(b)(8) and that the other technical and non-substantive revisions to the County Code proposed herein are also exempt, because it can be seen with certainty that they will not have an adverse impact on the environment.
- b. Approve establishment of a fee for an adult business permit.
- c. Introduce, waive reading and place on a subsequent agenda for adoption an ordinance amending various sections of Title 7 - Business Licenses and Title 22 – Planning and Zoning of the Los Angeles County Code to make more consistent and clarify provisions related to adult businesses and to make technical revisions to provisions generally governing the issuance of business licenses.

Honorable Board of Supervisors

Page 2

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

In response to a motion adopted last year by your Board, the Chief Administrative Office and this office led an effort with several other departments to review County ordinances that regulate the operation of adult businesses in the unincorporated area.

That review concluded that technical and/or non-substantive amendments should be made to the current business license and zoning codes in order to strengthen the regulation of adult businesses in the unincorporated area, improve the clarity of the provisions, and ensure that the provisions meet constitutional requirements.

Implementation of Strategic Plan Goals

This recommendation is consistent with the following Strategic Plan Goal:

Goal: **Service Excellence:** Provide the public with easy access to quality information and services that are both beneficial and responsive.

FISCAL IMPACT

None.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Regulation of adult businesses in the unincorporated area is necessary to promote the general health, welfare and safety of the residents of the County by guarding against the well-documented harmful secondary effects of such businesses, such as: increased crime, increased demand on law enforcement resources, and reduction of property values and deterioration of the quality of life in or adjacent to the neighborhoods where these businesses are located. Studies conducted by or on behalf of local agencies throughout the country have documented these detrimental social and economic effects.

However, this regulation must be carefully designed to preserve constitutionally required access by adults to sex-oriented materials and adult entertainment, and to maintain the ability of distributors and exhibitors to market such materials and entertainment. In this regard, the regulation must not constitute a prior restraint on speech. Rather, it must be content neutral, avoid opportunities for unrestrained discretion by County decision-makers,

Honorable Board of Supervisors

Page 3

and be targeted to address the legitimate concerns relating to the harmful secondary effects which adult businesses may have on the County and its residents.

The enclosed ordinance amends various sections in Title 7 – Business Licenses, including Chapter 7.92 – Adult Businesses, and various sections in Title 22 – Planning and Zoning, including Chapter 22.62 – Adult Businesses. The majority of these amendments make technical and/or non-substantive changes to those provisions of the County Code that directly affect the regulation of adult businesses. In addition, there are amendments to several provisions of the business license code that generally govern the issuance of business licenses in the County. Those amendments are intended to make the provisions of the business license code more uniform and consistent, to harmonize the provisions with each other and to conform some of the provisions to the actual practices involved with the issuance of business licenses in the County. Finally, the zoning code is amended to establish a fee for an adult business permit issued by the Regional Planning Commission.

To comply with the requirements of sections 66016, 66018 and 6062 of the Government Code, a public hearing must be held by the local authority prior to the adoption of a new fee, and a notice of public hearing shall be published pursuant to the requirements of those sections.

ENVIRONMENTAL DOCUMENTATION

The establishment of the proposed adult permit fee within Title 22 – Planning and Zoning, of the County Code, is exempt under the provisions of the California Environmental Quality Act (“CEQA”) pursuant to Public Resources Code section 21080(b)(8) and CEQA guideline section 15273(a), because the fee is for the purpose of allowing the Department of Regional Planning to meet its operating expenses with respect to the adult business permit procedure. The other proposed revisions to Title 7 and Title 22 of the County Code, which are technical and non-substantive in nature, are also exempt under CEQA, because it can be seen with certainty that they will not have an adverse impact on the environment.

IMPACT ON CURRENT SERVICES

By clarifying and making more consistent existing provisions of the business license and zoning codes relating to the regulation of adult businesses, the County will strengthen its ability to regulate those businesses and, thereby, minimize the negative secondary effects associated with their operation. Additionally, these revisions will ensure that the regulation meets constitutional requirements.

Honorable Board of Supervisors
Page 4

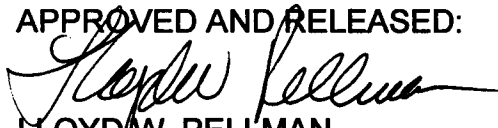

The proposed amendments to those provisions of the business license code that generally govern the issuance of business licenses in the County will streamline that process and minimize the potential for confusion by businesses regarding the requirements and processes for obtaining a business license from the County.

Very truly yours,
